

P'taah's Thank You song

To the god/goddess of my being I give forth my thanks:

Thank you for the love that I AM
Thank you for the love in my life
Thank you for the love that surrounds me
Thank you

Thank you for the miracle of life that I AM
Thank you for the miracle of life I see reflected all about me
Thank you for the gift of life
Thank you for my perfect body
Thank you for my health and my vitality
Thank you

Thank you for the abundance that I AM
Thank you for the abundance I see reflected all about me
Thank you for the richness and riches in my life, and
Thank you for the river of money that flows to me and through me
Thank you

Thank you for the excitement and adventure of the millions of wondrous possibilities
and wondrous probabilities
Thank you

Thank you for the beauty and harmony
Thank you for the peace and tranquillity
Thank you for the wonderment and
Thank you for the joy
Thank you for the laughter and thank you for the play

Thank you for the privilege of serving and sharing the Gift that I AM

Thank you, Thank you, Thank you
